

Toca's Miracle (Club Mix)

Fragma

Miracle

Miracle

Miracle

If you're gonna save the day

And you're hearin' what I say

I feel your touch

Your kiss, it's not enough

And if you believe in me

Don't think my love's for the real

I won't take nothin' less than a deeper love

Let me tell you, no I

I need a miracle, I need a miracle

It's more physical

What I need to feel from you

Let me tell you, no I

I need a miracle, I need a miracle

It's more physical

What I need to get it through

Tell me that you understand

And you'll take me as I am

You'll always be the one to give me everything

Just when I thought no one cared

You're the answer to my prayers

You lift my spirit high

Come on and rescue me

Let me tell you, no I

I need a miracle, I need a miracle

It's more physical

What I need to feel from you

Let me tell you, no I

I need a miracle, I need a miracle

It's more physical

What I need to get it through

I need a miracle, I need a miracle
I need a miracle, I need a miracle
I need a miracle, I need a miracle
I need a miracle

Let me tell you, no I
I need a miracle, I need a miracle
It's more physical
What I need to to get it through

Let me tell you, no I
I need a miracle, I need a miracle
It's more physical
What I need to get it through

Miracle
Miracle
Miracle
