I Got It

Jagged Edge

Y'all know where we takin' this
JE, y'all, Nas
So So Def
I'm nasty, never let a pretty face pass me
C'mon, y'all, knowin' it's easy
For me to get a good girl
Turn her out to sleazy and trashy
She's freaky, live in the bed
Make baby girl eyes roll in her head
This what you need, my mission is to please
Hands to the sky, Nas, JE
Now your girl said you was out lookin' for me
If so then you need to come and see
If you ready for a night that you won't never forget
I'll give you pleasure and real love, if you let me in
Baby, tell me what it is you want from me
Don't beat around the bush if you want my body
If you can want it, girl, I got it, got it
Come and get with me
Girl, I turn your body inside out and bring ecstasy
If you want it, baby, come and bring your body to me
If you need it, girl, I got it, got it
Got, got, got, got it, c'mon
If you want me, girl, you need to come with me
I've searched all around the world, finding you is like a dream
When we wake up, you won't feel the same about me
'Cause you'll realize, your life won't be the same without me
Baby, tell me what it is you want from me
Don't beat around the bush if you want my body
If you can want it, girl, I got it, got it
Come and get with me
Girl, I turn your body inside out and bring ecstasy
If you want it, baby, come and bring your body to me
If you need it, girl, I got it, got it
Got, got, got, got it, c'mon
Just you and me
Baby, just bring your body to me
Tell everybody about me
Baby, just move your body, around me, me, me

Girl, what's your astrology?
Virgo? If so, you the same sign as me
Geminis are fly, the kind I need
Love Aquarius and Pisces
Can't leave a Libra, I live life day to day
Let a playa play, supporting my women
All my Capricorns and Scorpio women
Leos and Cancer girls be bad, only sign I can't deal with is Sag
Confusin' my enemies, never losin'
Clever movement, act smooth where the women be
Amused by my energy when they choose me
I just tell them the music's my remedy
I just swell 'em and leave em swollen
Girl, this is something that you need to know
If you can want it, girl, I got it, got it
Come and get with me
Girl, I turn your body inside out and bring ecstasy
If you want it, baby, come and bring your body to me
If you need it, girl, I got it, got it
Got, got, got, got it, c'mon
If you can want it, girl, I got it, got it
Come and get with me
Girl, I turn your body inside out and bring ecstasy
If you want it, baby, come and bring your body to me
If you need it, girl, I got it, got it
Got, got, got, got it, c'mon
