The Sound (Live on Jimmy Fallon)

The 1975

Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heartI can't believe I forgot your name
Oh baby won't you come again?
She said "I've got a problem with your shoes and your tunes
But I might move in" and
"I thought that you were straight, now I'm wondering"You're so conceited, I
Said "I love you"
What does it matter if I lie to you?
I don't regret it but I'm glad that we're through
So don't you tell me that you 'just don't get it'
'Cause I know you doWell I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heartIt's not about reciprocation it's just all about me
A sycophantic, prophetic, Socratic junkie wannabe
There's so much skin to see
A simple Epicurean Philosophy
And you say I'm such a cliche
I can't see the difference in it either way
And we left things to protect my mental health
But you call me when you're bored and you're playing with yourselfYou're so conceited, I
Said "I love you"
What does it matter if I lie to you?
I don't regret it but I'm glad that we're through
So don't you tell me that you 'just don't get it'
'Cause I know you doWell I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heartWell I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound

I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
