

The Sound (Live on Jimmy Fallon)

The 1975

Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart I can't believe I forgot your name
Oh baby won't you come again?
She said "I've got a problem with your shoes and your tunes
But I might move in" and
"I thought that you were straight, now I'm wondering" You're so conceited, I
Said "I love you"
What does it matter if I lie to you?
I don't regret it but I'm glad that we're through
So don't you tell me that you 'just don't get it'
'Cause I know you do Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart It's not about reciprocation it's just all about me
A sycophantic, prophetic, Socratic junkie wannabe
There's so much skin to see
A simple Epicurean Philosophy
And you say I'm such a cliché
I can't see the difference in it either way
And we left things to protect my mental health
But you call me when you're bored and you're playing with yourself You're so conceited, I
Said "I love you"
What does it matter if I lie to you?
I don't regret it but I'm glad that we're through
So don't you tell me that you 'just don't get it'
'Cause I know you do Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
Well I know when you're around 'cause I know the sound

I know the sound, of your heart
Well I know when you're around 'cause I know the sound
I know the sound, of your heart
