# Rocky's Hot Club

## Peter Frampton

When we walk alone
Rocky and me, so much fun
Rocky's hot club
You can join with me
Rocky's hot club
Won't you be with me?He can't be anything more than me
I'm a reflection
(I'm a reflection)
He's a reflection of me
Oh oh, oh ohRocky's hot club
You can join right now
Rocky's hot club
You can join right nowChristmas Eve
Who knew that you'd be there?
I heard you cry
Could it be Rocky, my man?Always heard about you
Never thought I'd have
You for me
Rocky, my manRocky's hot club
You can join with me
Rocky's hot club
Won't you be with me?
(With me)Rocky's hot club
You can join right now
(Right now)
Rocky's hot club
Join right nowRocky's hot club
You can join with me
Rocky's hot club
Be with me, be with meRocky's hot club
You can join right now
Rocky's hot club
Be with me, he's my friend
