

# Rocky's Hot Club

Peter Frampton

When we walk alone  
Rocky and me, so much fun  
Rocky's hot club  
You can join with me  
Rocky's hot club  
Won't you be with me? He can't be anything more than me  
I'm a reflection  
(I'm a reflection)  
He's a reflection of me  
Oh oh, oh oh Rocky's hot club  
You can join right now  
Rocky's hot club  
You can join right now Christmas Eve  
Who knew that you'd be there?  
I heard you cry  
Could it be Rocky, my man? Always heard about you  
Never thought I'd have  
You for me  
Rocky, my man Rocky's hot club  
You can join with me  
Rocky's hot club  
Won't you be with me?  
(With me) Rocky's hot club  
You can join right now  
(Right now)  
Rocky's hot club  
Join right now Rocky's hot club  
You can join with me  
Rocky's hot club  
Be with me, be with me Rocky's hot club  
You can join right now  
Rocky's hot club  
Be with me, he's my friend
