Freezin' In Hell

Mitch Ryder

I claim to fly with the master of love
wonder if I'm flyin'at all
I wanna love you like I - said I should
I'm just not ready to fall
fall to my knees
shakin' helpless darlin'
won't you hear me please
hear me pleasethe time has come - to witness Hell
it's Hell is sure - as a breathe
Judgement eyes upon me now
I feel I'm startin' to freeze
Lord I'm freezin'in Hell
And I know it too well
out there yeahcome here i touch you
touch me
oh - ah! - out there
oh yes
ah! oh yesI claim to come bearin' truth
but truth is breakin'my will
I - i wanna love you
like i said i should
I keep on trying still
I keep on trying still
