

Rusted from the Rain (iTunes Session)

Billy Talent

I stumble through the wreckage rusted from the rain
There's nothin' left to salvage, no one left to blame
Among the broken mirrors I don't look the same
I'm rusted from the rain, I'm rusted from the rain
Dissect me till my blood runs down into the drain
My bitter heart is pumpin' oil into my veins
I'm nothin' but a tin man, don't feel any pain
I don't feel any pain, I don't feel any pain
I'm rusted from the rain
Go on crush me like a flower rusted from the rain
Come on strip me of my power, beat me with your chains
And if I'm the king of cowards you're the queen of pain
I'm rusted from the rain, I'm rusted from the rain
You hung me like a picture, now I'm just a frame
I used to be your lap dog, now I'm just a stray
Shackled in the graveyard left here to decay
Left here to decay, left here to decay
I'm rusted from the rain
Go on crush me like a flower rusted from the rain
Come on strip me of my power, beat me with your chains
And if I'm the king of cowards you're the queen of pain
I'm rusted from the rain, I'm rusted from the rain
I'm rusted from the rain
Go on crush me like a flower rusted from the rain
Come on strip me of my power, beat me with your chains
And if I'm the king of cowards you're the queen of pain
I'm rusted from the rain, I'm rusted from the rain
Go on crush me like a flower rusted from the rain
Come on strip me of my power, beat me with your chains
And if I'm the king of cowards you're the queen of pain
I'm rusted from the rain, I'm rusted from the rain
Oh, the sun will shine again, I'm rusted from the rain
I'm rusted from the rain
Oh, the sun will shine again, I'm rusted from the rain
