Under My Thumb

Social Distortion

Under my thumb

The girl who once had me down
Under my thumb

The girl who once pushed me aroundIt's down to me

The difference in the clothes she wears

Down to me, the change has come

She's under my thumbUnder my thumb

The squirmin' dog who's just had her day

Under my thumb

A girl who has just changed her waysIt's down to me, yes it is

The way she does just what she's told

Down to me, the change has come

She's under my thumb

Ah, ah, say it's alrightUnder my thumb

A Siamese cat of a girl

Under my thumb

She's the sweetest, hmm, pet in the worldIt's down to me

The way she talks when she's spoken to

Down to me, the change has come

She's under my thumb

Ah, take it easy, babe, yeahIt's down to me, oh, yeah

The way she talks when she's spoken to

Down to me, the change has come

She's under my thumb

Yeah, it feels alrightUnder my thumb

Her eyes are just kept to herself

Under my thumb, well I

I can still look at someone elseIt's down to me, oh that's what I said

The way she talks when she's spoken to

Down to me, the change has come

She's under my thumbSay, it's alright

Take it easy, babe

Take it easy, babe

Feels alright

Take it, take it easy, babe
