

# City of Angels

## Stitched Up Heart

(Sit back and watch it burn)There is no safe word  
Once the devil knows your name  
There's no easy way out  
Every pill has its pain  
Oh can you feel it through the flames  
We like it hotter anywayWe belong to a city of angels  
Trapped beneath our feet  
(Sit back and watch it burn)So dive in head first  
If you wanna play this game  
Oh can you feel it through the flames  
We like it hotter anywayWe belong to a city of angels  
Trapped beneath our feet  
(Sit back and watch it burn)  
We belong to a city of angels  
Trapped beneath our feet  
(Sit back and watch it burn)We belong to a city of angels  
Trapped beneath our feet  
(Sit back and watch it burn)  
We belong to a city of angels  
Trapped beneath our feet  
(Sit back and watch it burn)  
(Sit back and watch it burn)
