

Turn Up

The Heavy

Turn (up)
And make it something to believe in
You know you got to
Turn (up)
And make the heart go
(Woah, woah, woah)
I said you go to
Turn (up)
And put your hands where I can see them
You know you go to
Turn (up)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more) I set my soul on fire
All for you, my love
And I build a house of dirt and bones
From the ground
You talk it like you needed it all
All your life
If you want it, baby, you can have it all
O, but then you better
Turn (up)
And make it something to believe in
You know you got to
Turn (up)
And make the heart go
(Woah, woah, woah)
I said you go to
Turn (up)
And put your hands where I can see them
You know you go to
Turn (up)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)

To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)(Baby, baby)
 You'll lose your way
 (Baby, baby)
 You'll make mistakes
 (Baby, baby)
You're gonna learn to fight many days
 In so many ways
 (Baby, baby)
Ain't no one gonna shake me
 (Baby, baby)
'Cause you'll always be my baby
 (Baby, baby)
There ain't nothing more I want
 For you, my love
 If that's what you really want
 Must be what you really want
 If that's what you really want
 My love
 I said you better Turn (up)
And make it something to believe in
 You know you got to
 Turn (up)
And make the heart go
 (Woah, woah, woah)
 I said you go to
 Turn (up)
And put your hands where I can see them
 You know you go to
 Turn (up)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
To keep 'em begging for (more)
