

# Liontamer (Ernest St. Laurent Remix)

## Faithless

[Maxi Jazz]

If you place a thing into the center of your life

That lacks the power to nourish

It will eventually poison everything that you are

And destroy you A simple a thing as an idea

Or your perspective on yourself of the world

No one can be the source of your contempt,

It lies within, in the center.

Only with mellow while your thin enough to slide through

Only with mellow while your thin enough to slide through Don't let nothing ride you. If the sun or the moon

should keel away to die,

They would immediately go out .One. Swallow don't make a sound,

But tomorrow has to start somewhere. Newspapers entertain,

Lion Tamers die in pain

This Child wise beyond words

Whose tears flow without seize Newspapers entertain,

Lion Tamers die in pain

This child wise beyond words

Whose tears flow without seize [ZôÃ«]

When there's no where, left to run to

Let me come to you, let me help you down

For when the world, gives you tomorrow

Your gonna learn to live again we can learn to go,

oh learn as we go Just to live, for the day

I know it's hard, to live for the moment

Just try, anyway [Maxi Jazz]
