Do Or Die

Super Furry Animals

I got you, you got me
We got plenty to see
Let's sail the ocean, fancy free
We could ride the camel
One hump or two?If we do or die, we should try
If we don't try, I say bye-bye
And if I say bye-bye, I'll wonder why
We didn't try to do or die
Yeah, yeah, yeahI am three, you are four
Let's take a five
We could climb a mountain
And landslide
We ride tornadoes, we eat tomatoesIf we do or die, we should try
If we don't try, I say bye-bye
And if I say bye-bye, I'll wonder why
We didn't try to do or die
Yeah, yeah, yeahIf we do or die, we should try
If we don't try, I say bye-bye
And if I say bye-bye, I'll wonder why
We didn't try to do or dieAnd if we do or die, we should try
If we don't try, I say bye-bye
And if I say bye-bye, I'll wonder why
We didn't try to do or die
Yeah, yeah, yeah
