What Makes a Man

9th Wonder

Oh yeah
This isn't goodbye even as I watch you leave
This isn't goodbye, I swear I won't cry
Even as tears fill my eyes, I swear I won't cry
Any other girl I'd let you walk away
Any other girl I'm sure I'd be okay
Tell me what makes a man wanna give you all his heart
Smile when you're around and cry when you're apart
If you know what makes a man wanna love you the way I do
Girl you gotta let me know, so I can get over you
What makes her so right?
Is it the sound of her laugh, that look in her eyes?
When do you decide?
She is the dream that you seek, that force in your life
When you apologize no matter who was wrong
When you'd get on your knees if that would bring her home
Tell me what makes a man wanna give you all his heart
Smile when you're around and cry when you're apart
If you know what makes a man wanna love you the way I do
Girl you gotta let me know, so I can get over you
Oh, other girls will come along, they always do
But what's the point, when all I ever want is you? Tell me
Tell me what makes a man wanna give you all his heart
Smile when you're around and cry when you're apart
If you know what makes a man wanna love you the way I do
Girl you gotta let me know, let me know
Girl you gotta let me know, so I can get over you
