

Deer Stop (Idaho's Shooting Stars Edit)

Goldfrapp

And I long to go
Love started. Here
Shoot your star
Be a light
Is thatDon't you call
Deer stop bottle in a shell
Shoot a thousand stars over me
Love to come home
You've arrested a knightSay my name,
Whisper it
Don't ever turn
I'm deliciously wired
I'm falling in a cloud
Shoot a thousand stars over
Say my name
Whisper it
