

The Game

Little Boots

Rain falls, staring out the window at a
Blank sky, waiting for a sign
Only you, only you
Could find the truth, find the truth
Yeah only you, can cross that lineEveryone wants to change
Everybody's got to play that game
Everyone wants to change
Everybody's got to break that chainPlay that game
Break that chain
You've got to play that game
Break that chain
Play that game
Break that chain
You've got to play that game
Everyday
It's your turn, rules meant to be broken
So get on up, what you've got to lose?
Only you, only you
Can make it through, make it through
Yeah only you, can cross that lineEveryone wants to change
Everybody's got to play that game
Everyone wants to change
Everybody's got to break that chainPlay that game
Break that chain
You've got to play that game
Break that chain
Play that game
Break that chain
You've got to play that game
Everyday
We'll find a way
We'll find a wayEveryone wants to change
Everybody's got to play that game
Everyone wants to change
Everybody's got to play that game(It's your turn, rules meant to be broken
So get on up, what you've got to lose?)Play that game
Break that chain
You've got to play that game
Break that chain

Play that game
Break that chain
You've got to play that game
EverydayEveryone wants to change
Everybody's got to play that game
Everyone wants to change
Everybody's got to break that chainWriters: Victoria Christina Hesketh, Jeppe Laursen
