

Move Closer

Mystic Diversions

Hey baby, you go your way
And I'll go mine
But in the meantime
Move closer
When we're together
Touching each other
And our bodies
Do what we feel
When we're dancing
Smooching and swaying
Tender love song
Softly playing
Move closer
(Move closer)

Move your body real close until we
Feel like we're making love
Get closer
So when I say sugar
And I whisper I love you
(I love you)

Well, I know you're gonna answer
In the sweetest voice, yeah, my sexy baby
I love you too
There's much room for passion, oh no, no
There no room for fears
When the love flows smoothly between us
My dear
Oh, move closer, baby
Come here, girl
Let me hold you
You feel so good to me, woman
Move closer)
Let's get closer
(Let's get closer)

Gonna make sweet love to you
Honey, get beside me
And let me love you
My baby, baby, baby
I love you

So baby, won't you move closer

(Move closer)

Why don't you move your body real close

Until we feel like we're really' making sweet, sweet

Sweet, sweet, sweet love

Move closer

(Move closer)

So why don't you take me to heaven

Oh baby, to heaven, yeah

Let's take our time and do it right

Be going all night, yeah

It's gonna be a long night
