

Komet Ride

Hanzel und Gretel

I feel the power slide
Into my ultra glide
Why don't you step inside
My jets are open wide
Venus mars collide
Saturn mercury died
Why don't you step inside
We're on a komet! Ride - space machine baby
Drivin supersonic speedway
Ride - space machine baby
Cruisin like a neon laser beam
Ride - das ist ein komet ride
Das ist ein komet ride
Das ist ein komet!
