Album: 'Blues From The Gutter'

Transcriber: Awcantor@aol.com(Oh, yeah!)The woman that I'm lovin'

She's evil as would be

Lord, Lord, Lord

Woman I'm lovin'

She's evil as could be

Well, that woman is so evil

She's too evil for me(Oh yeah!)I love that woman

Though she takes my appetite

I love that woman

She takes my appetite

She's the sweetest woman

I ever seen in my lifeShe got a face, face like a monkey

Hair like a teddy bear

Lord, Lord, Lord

Face like a monkey

Hair like a teddy bear

Well, she's the woman I love

You ain't got no business, dyin'(sax & instrumental)(Oh yeah!)(Oh yea-eah!)(Ow! It's rainin')(Oh yeah!)So-

ooo long, baby

Bid your last little time with me

Lord, Lord, Lord

So long, baby

Bid your last good time with me

Well, the way you been lovin' me, baby

Lord, I swear you's killin' me.~
