# In Dreams

## Dio

Help me
Save me
I've just crossed the line where reason might betray me
Wake me
Oh, shake me
Send a message to my brain before they take me
How can I get through to you
That wishes just come true in dreams
Oh, don't go
No, don't dare
'Cause the journey drives you mad before you get there
Help me
Oh, save me
I'll be glad to give you back the hand you gave me
How can I get through to you
That wishes just come true in dreams
In your dreams

If I'm a river then you're the sea
Somewhere you'll find me
Alone and swimming here in ecstasy
If I am silence, you must be scream
But I don't hear you
I'm in a place that you've just never seen before
No, don't go
You'll never save me
I've just slapped away that helping hand you gave me
Don't wake me
No, don't you shake me
Here's a message from my brain, you'll never take me
How do I get through to you
That wishes just come true in dreams
In my dreams
