Blind

Converge

In retrospect I reflect
But I am to blind to see.
I embrace my soul
Hoping it will show me all.
Blind. I've lost it all.
I've lost you.
I'm so sorry for what
I have put you through.
I am so sorry for what
I did to you.
But look at me,
Look at what
I have put me through.
Taken for a ride.
