Someone Who Believes In You

[Carole King](#)

When there's a dark storm on your horizon
And you think you can't get through it
Just put your hand in my hand
And I'll show you how to do it
When the future looks uncertain
You can count on me to be there
And when your heart and soul are hurtin'
Just look and you'll see me there
Just follow where I lead
I'll give you what you need
A love that's always true
And someone who believes in you
It's time to come alive, your moment has arrived
I'll bring out the best in you
We can have it all, no, we will never fall
Looking down from our celestial view
So when you're searching for that rainbow
I will help you find it
And when a mountain stands before you
I will help you climb it
Just follow where I lead, I'll give you what you need
And I'll tell you something else
You'll start believing in yourself, it's an easy thing to do
When you have someone who believes in you
Someone who believes
Someone who believes
I'm someone who believes
You've got someone who believes in you
