

# Well All Right!

## The Hives

Yeah [x8]

[Chorus]

Well All right! I know just what you mean  
Well All right! And I know that it might seem  
Well All right! I should have better things to do  
Well All right! I'm so sick of it, this won't do

First in line but last to know  
Move too fast but think too slow  
People see me and they go ah!!!!

Whoo Hoo! [x8]

Everyone's a loser in the modern world  
Look at all the sad and gloomy little boys and girls  
All of you got troubles all of you got woes  
Shake the chips off your shoulders here is how it goes

Juggling chainsaws with just one hand  
Falling down the stairs with a marching band  
Swim across the ocean in a concrete suit  
Trying to grow a beard but still look cute

Whoo Hoo! [x8]

On and on the world spins round, It is enough to  
Get you down  
But I don't worry cause sometimes you just  
Have to...  
Whoo Hoo!

Yeah [x8]

[Chorus]

First in line but last to know  
Move too fast but think too slow  
People see me and they go... excuse me!

Whoop Hoo! [x16]

Everyone's a loser in the modern world  
Look at all the sad and gloomy little boys and girls  
I know all you got troubles all you got is woes  
Shake the chips off your shoulders here is how it goes...

Whoop Hoo!
