Send For Me

Atlantic Starr

I don't know what was said, my baby
I thought that everything was fine
You say you got to get away
To find yourself, mmmNow lady, can't you tell
It's written all over my face
My days and nights would be a living hell
If you go away
So think about the misery
That you're gonna put me through, oooGoodbye, doesn't mean a thing with you and I, oh no no
Our love has stood through all the tests of time, yes it has
If you're planning to leave me behind, oh
Let me put one more thing on your mindIf you ever need me baby
(Send for me)
I'm just a telephone call away
(Send for me)
Put a message in a bottle baby, baby, baby
(Send for me)
Mmm, oooSee you're my everything, sweet baby
My whole world revolves around you
Nothing is what I am
Without you here in my life, yeahGoodbye, oh doesn't mean a thing with you and I, oh oh
Our love has stood through all the tests of time, yes it has
If you're planning to leave me behind, oh
Let me put one more thing on your mindIf you ever need me baby
(Just send for me)
I'm just a telephone call away
(Send for me)
Put a message in a bottle baby, baby
(Send for me)Send for me
