

Isobel

[Björk](#)

In a forest pitch dark
Glowed the tiniest spark
It burst into flame
Like me
Like me My name Isobel
Married to myself
My love Isobel
Living by herself In a heart full of dust
Lives a creature called lust
It surprises and scares
Like me
Like me My name Isobel
Married to myself
My love Isobel
Living by herself When she does it she means to
Moth delivers her message
Unexplained on your collar
Crawling in silence
A simple excuse Nana na na na, Nana na na na
Nana na na na, Nana na na na In a tower of steel
Nature forges a deal
To raise wonderful hell
Like me
Like me My name Isobel
Married to myself
My love Isobel
Living by herself When she does it she means to
Moth delivers her message
Unexplained on your collar
Crawling in silence
A simple excuse Nana na na na, Nana na na na
Nana na na na, Nana na na na
Nana na na na, Nana na na na
Nana na na na, Nana na na na
