

Lonely One

Sara Niemietz

Ooh, ooh, ooh
I'm talkin' to myself
When I am all alone
I'm haunted by the sound
Of the dial tone
I have so much to say
But you don't call me anyway

Please don't leave me the lonely one
Believe me you'll always be the only one
Ooh ooh ooh ooh ooh

We've got our differences
But we can work it out
You don't have to run away,
You don't need to shut me out
'Cause when you go away
My thoughts go travelin'
I'm watching day by day
I keep unravelin'

Please don't leave me the lonely one
You gotta believe me you'll always be the only one
Ooh ooh ooh ooh ooh

I built these walls around me
They keep me safe and sound
But lately I've been lonely,
'Cause no one comes around
I know I'm getting older
It's not fun anymore
You know I'm feelin' colder
Oh won't you open up the door

Oh please don't, don't leave me the lonely one
Believe me you'll always be the only one
Oh please don't, don't leave me the lonely one
Believe me you'll know you're the only one
Oh please don't, don't leave me the lonely one

Believe me you'll always be the only one (ooh ooh ooh ooh)

Oh, oh, the only one

The lonely one

Oh, oh, whoa, ooh
