

Don't You Know

Them

Don't ya know, don't ya know
That it hurts to be treated like a fool?
A don't ya know, don't ya know
That it's mean, and it's oh-so cruel? When you said you were home
It was just a lie
You were seen on the town
With another guy
Gonna break my heart in two
Oh, baby, don't ya know? A don't ya know, don't ya know
That your cheatin's breakin' us apart?
A don't ya know, don't ya know
That you'll tear my soul apart?
Why must you go foolin' 'round every other boy
And just push me away like a broken toy
Baby, feel so bad inside
Oh baby, don't ya know? Oh, don't ya know, don't ya know
It's a foolish thing that you do?
A don't ya know, don't ya know
Fate could easily turn on you?
'Cause they say it's a game more than one can play
And you might be the one to get hurt someday
It could be your turn to cry
Oh baby, don't ya know?
