

# One Night Man

[Ricky Martin](#)

It's the story of my life  
It's how it always begins  
I see you once, I see you twice  
I got a taste of paradise  
It's not as easy as it seems  
When you have complicated dreams  
So take me home  
Take me to the zone tonight  
The story of my life It's gonna be alright Lady I'm your one night man  
Come with me and take a chance  
You won't forget it  
Never regret it  
I can promise you that  
Lady give me one last dance  
Give me, give me, give me all you can  
Suavecito, suavecito  
Lady I'm your one night man It's the way it has to be  
I know it's hard to understand  
And while it breaks my heart to leave  
Somehow you got to believe  
I will remember now and forever  
This precious time we spend together  
So take me home  
Take me to the zone tonight  
The story of my life It's gonna be alright
