

Sitting On Top Of The World

The Radiators

I'm gonna be...
It was you and me
And all those things that came in-between
It was us it was them
So tell me how to put it back together again
I'm gonna try just a little bit harder
I'm gonna be just a little bit stronger
I wanna live just a little bit longer
Oh oh ohh.
I'm gonna stand just a little bit taller
I'm gonna be just a little bit prouder
I'm gonna sing just a little bit louder
Oh oh ohh.
Til i'm sittin' on top of the world
And i'm flying so high that nothing hurts
If we're sitting on top of the world
I'm never gonna be the lonely girl
I'm gonna be be be be
I'm gonna be be be be
I'm gonna be be be be
Sitting on top!
I'm gonna be be be be
I'm gonna be be be be
I'm gonna be be be be
Sitting on top of the world.
What's up, feels new
After everything that we've been through
It's clear, it's gray
The more we run the more we change.
I'm gonna stand just a little bit taller
I'm gonna be just a little bit prouder
I'm gonna sing just a little bit louder
Oh oh ohh.

Til i'm sitting on top of the world
And i'm flying so high that nothing hurts
If we're sitting on top of the world
I'm never gonna be the lonely girl
I'm gonna be be be be

I'm gonna be be be be
I'm gonna be be be be
Sitting on top!
I'm gonna be be be be
I'm gonna be be be be
I'm gonna be be be be
Sitting on top of the world.
I'm gonna be be be be
I'm gonna be be be be
I'm gonna be be be be
Sitting on top of the world.
I'm gonna be be be be
I'm gonna be be be be
I'm gonna be be be be
Sitting on top of the world.
Flying so high, flying so high, flying so high,
Til i'm sitting on top of the world
And i'm flying so high that nothing hurts
If we're sitting on top of the world
I'm never gonna be the lonely girl
I'm gonna be be be be
I'm gonna be be be be
I'm gonna be be be be
Sitting on top!
I'm gonna be be be be
I'm gonna be be be be
I'm gonna be be be be
Sitting on top of the world.
