Momma

Hurricane Chris

Intro(Nicole Wray): I love you momma, love you momma , love you momma,love you momma , love you momma ,love you momma ,ayyy
Chorus(hurricane Chris): momma i just wanna take the time out to say that if it was'nt for you i would'nt be here today and i apoligize for all the times i made you cry and all the times i made you hate and momma i just wanna say that everything i do i do for you my daddy the nearest to the family momma you know i love you and everything i do i do for you my daddy and the rest of my family momma you know i love you
Verse(hurricane chris):
Momma i just wanna take the time out to say
aint no way i can forget what you did for me no way
you raise me from a baby and plus i know i was bad
so no women on earth could ever take your place thats a fact
i remember when you use to have to come sit in my class
cause i aint know how to act thank you for beating my ass
thats why i know how to act
every morning i woke up there was a meal on my plate
but i can see it in your face you was'nt straight and you and my daddy went yall seperate ways he stayed in my life just like he suppose to thats why i say he a G
see my momma love me before i got my deal
she told me what ever i turn out to be just keep it real
and i know she worried bout me too
momma im cool i got goons to murk anything that move
and mama soon ima be comin back home but until then i hope your enjoyin your new home
Chorus(hurricane Chris): momma i just wanna take the time out to say that if it was'nt for you i would'nt be here today and i apoligize for all the times i made you cry and all the times i made you hate and momma i just wanna say that everything i do i do for you my daddy and the rest of my family momma you know i love you and everything i do i do for you my daddy and the rest of my family momma you know i love you

Verse(hurricane chris):
Momma i apoligize for every virtue
for anything i ever did or ever said to hurt you
i had asthma when i was born and i got real sick
you close your eyes and prayed to God more than a lil bit
my cousin had me took me out and taught me how to mac
you hated when i hung wit him cause he be chasin cat
that boy fool but i love him aint no doubt in that
no matter what happend i know my family got my back
and even though im out here living my life like im grown
everyday i pick up the phone and i call home
i bet Abel Sean and Stefan still trippin

yall boys crazy and i wish i could be home with ya
i bet both of my grandmas in the kitchen cookin food
if it wasn't for them i probably wouldnt've went to school
momma i love you in a way that i just cant explain
from your only child Chris Williams-Hurricane
Chorus(hurricane Chris): momma i just wanna take the time out to say that if it was'nt for you i would'nt be here today and i apoligize for all the times i made you cry and all the times i made you hate and momma i just wanna say that everything i do i do for you my daddy and the rest of my family momma you know i love you and everything i do i do for you
(Nicole wray + Hurricane chris):said you know said you know i need you in my life said you know your the only one i need in my life my daddy the nearest to the family momma you know i love you and everything i do i do for you my daddy the nearest to the family momma you know i love you
