Amity

Eternal Lord

Amity, Amity, Amity, Amity
Amity, Amity, Amity caught stars in her arms
Hello, hello kitty happy in New York City
Amity walking like a lucky charm
I'm a neon sign and I stay open all the time
So let's go, go, go, go, Amity, Amity
God don't make no junk but it's plain to see

He still made me, He told me so
"I'm good to go, I'm ready to go"
'Cos you laugh and talk
And 'cos you make my world rock
I'm so, so, so, so, Amity, Amity, Amity, Amity
Amity, Amity, Amity good to go
