

# Freakshow

## The Cure

I can't believe it, I must be dreaming  
She turns the sound down, says, I am leaving  
This is a freakshow and I am screaming  
She spins the world round, I want to stop Bitter sweet again, her opening move  
Down and out in black, soft shiny and smooth  
Looks like the alien crowd got groove  
She burns her name into my arm but I can never get through To play the game, she's trying to lose  
Her ultraviolet makes it harder to choose  
Looks like the edge of the earth got moved  
She blurs a way across the floor, I spin to swallow the view And it's the same sway  
Yeah, it's the same slide, it's the same stare  
Oh, it's the same smile  
Yeah, it's the same but it's not quite right Oh, it's insane, she shakes like a freak  
Stuck in the middle of the room for a week  
Looks like the only way to get on the beat  
Is take her up on how to swing but I am missing my feet And it's the same sway  
Yeah, it's the same slide, it's the same swish  
Oh, it's the same smile  
Yeah, it's the same but it's not quite right I'm in a step out, she's two more steps down  
For three steps up clap and go around now  
It makes my head buzz  
She wants to come now, I try to stop Always infradig her finishing move  
Up and down in black, soft, shiny and smooth  
Looks like the alien crowd got groove  
She cuts a number out my arm but I can never get through To play this game, she's trying to lose  
The stuff from mars makes it harder to choose  
Looks like the final frontier got moved  
She blurs a way across the floor, I spin to swallow the view And it's the same sway  
Yeah, it's the same slide, it's the same strip  
Oh, it's the same smile  
Yeah, it's the same but it's not quite right I can't believe it, I must be dreaming  
She turns the lights up, says she is leaving  
This is a freakshow and I am beaten  
She spins the world round, I have to stop
