## **Freakshow**

## The Cure

I can't believe it, I must be dreaming

She turns the sound down, says, I am leaving

This is a freakshow and I am screaming

She spins the world round, I want to stopBitter sweet again, her opening move

Down and out in black, soft shiny and smooth

Looks like the alien crowd got groove

She burns her name into my arm but I can never get throughTo play the game, she's trying to lose

Her ultraviolet makes it harder to choose

Looks like the edge of the earth got moved

She blurs a way across the floor, I spin to swallow the viewAnd it's the same sway

Yeah, it's the same slide, it's the same stare

Oh, it's the same smile

Yeah, it's the same but it's not quite rightOh, it's insane, she shakes like a freak

Stuck in the middle of the room for a week

Looks like the only way to get on the beat

Is take her up on how to swing but I am missing my feetAnd it's the same sway

Yeah, it's the same slide, it's the same swish

Oh, it's the same smile

Yeah, it's the same but it's not quite rightI'm in a step out, she's two more steps down

For three steps up clap and go around now

It makes my head buzz

She wants to come now, I try to stopAlways infradig her finishing move

Up and down in black, soft, shiny and smooth

Looks like the alien crowd got groove

She cuts a number out my arm but I can never get through To play this game, she's trying to lose

The stuff from mars makes it harder to choose

Looks like the final frontier got moved

She blurs a way across the floor, I spin to swallow the viewAnd it's the same sway

Yeah, it's the same slide, it's the same strip

Oh, it's the same smile

Yeah, it's the same but it's not quite right can't believe it, I must be dreaming

She turns the lights up, says she is leaving

This is a freakshow and I am beaten

She spins the world round, I have to stop
