Find Out

Cosma

Yeah yeah
Do you Don Cartagena solemnly swear to take this game of hip-hop
As your lawfully wedded wife through sickness and health
'Til death do you part?
I do
Aight then, you now may spit on the bride
I bet you thought I left you hangin', Joe Crack returns bangin'
With somethin' brand spankin', what the fuck was y'all thinkin'?
Blow out your tweeters, have dinner with world leaders
Terror Squad so much they be cats with dark caesars
Fast cars and millimeters, gold cards and Visa's
Givin' nonbelievers ways to fly with Jesus
Here's my thesis, enterprise break the block to pieces
Hustler and hard pool shark like Jack Gleason
The only reason I came back was for the platinum
With raps, ten times more deadly than saccharin
MC's be actin', I think somebody needs to slap 'em
Run up on 'em attack 'em, and ask 'em what's his passion
My love is rockin' shows at the highest extremity
This star from Trinity got your mom sayin' she's feelin' me
Who's dealin' ki's, that's peace, get your cheese, [Incomprehensible]
Pump this masterpiece at the loudest degree
Let me find out niggaz is noddin' out
Take some time out you wondered my whereabouts
The truth is I never left you, I kept my promise
Don Cartagena blessed you, now pay homage
Let me find out niggaz is noddin' out
Take some time out you wondered my whereabouts
The truth is I never left you, I kept my promise
Don Cartagena blessed you, now pay homage
Yo fuck movin' mountains, I move planets and you be Earthless
Terror Squad the worst that hurt shit, split you to verses
Joey Crack the world in half, Punisher punish 'em
'Til they lose the hopes and dreams
They had then Armageddon finish 'em
Yo I'm bout as braze as Satan, no exaggeratin'
My crew is radiatin', shinin' while you playa-hation
Cartagena hit 'em like the Red Army invasion
Operation lace 'em show 'em what they facin', what?

I've been down since the days of Flash
When it was fun and laughs, before hip-hop was based on cash
Let's blaze a sack and concentrate on coke inflation
You know the biggest asses in United Nations
Fuck the Federation, general population is hibernatin'
But bear witness to information that'll rock this nation
I'm not God, but indeed, my mind's relatin'
Better act now, before your life is wasted 'cause time is racin'
Let me find out niggaz is noddin' out
Take some time out you wondered my whereabouts
The truth is I never left you, I kept my promise
Don Cartagena blessed you, now pay homage
Let me find out niggaz is noddin' out
Take some time out you wondered my whereabouts
The truth is I never left you, I kept my promise
Don Cartagena blessed you, now pay homage
Let me find out niggaz is noddin' out
Take some time out you wondered my whereabouts
The truth is I never left you, I kept my promise
Don Cartagena blessed you, now pay homage
Let me find out niggaz is noddin' out
Take some time out you wondered my whereabouts
The truth is I never left you, I kept my promise
Don Cartagena blessed you, now pay homage
Let me find out
Yeah, now do you hip-hop
Take Don Cartagena, as your lawfully wedded husband
Now by the power invested in me, by me
I pronounce you husband and wife
Joey Crack, A.K.A. Kaiser Soze
Heads beware, there's mad fear in the air
Joey Crack, A.K.A. Kaiser Soze
Knuckleheads beware, knuckleheads beware
Joey Crack, A.K.A. Kaiser Soze
Knuckleheads beware, there's mad tension in the air
