

# Waste (The Synthetrix Remix)

## Foster the People

I'll hold your hand when you are feeling mad at me  
Yeah when the monsters they won't go  
The windows, they wont close  
I'll pretend to see what you see How long, I say how long, will you re-live the things that are gone?  
Oh yeah the devil's on your back but I know you can shake him off  
And every day that you want to waste, that you want to waste, you can  
And every day that you want to wake up, that you want to wake, you can And every day that you want to  
change, that you want to change, yeah  
I'll help you see it through 'cause I just really want to be with you  
You know its funny how freedom can make us feel contained  
Yeah when the muscles in our legs aren't used to all the walking I know if you could snap both your fingers than  
you'd escape with me  
But in the meantime I'll just wait here and listen to you when you speak, or scream  
And every day that you want to waste, that you want to waste, you can  
And every day that you want to wake up, that you want to wake, you can And every day that you want to  
change, that you want to change, yeah  
I'll help you see it through 'cause I just really want to be with you And every day that you want to waste, that  
you want to waste, you can  
And every day that you want to wake up, that you want to wake, you can  
And every day that you want to change, that you want to change, yeah  
I'll help you see it through 'cause I just really want to be with you
