

# Love Come Rescue

## Athlete

Mother do you still love this child?  
Baby on the run  
Father would you forgive me now?  
When you see what I have become Love come rescue  
Love come rescue There's a swallow on the phone wire  
Singing songs unto my pain  
Songs I will remember  
Oh, to lift me up again Love come rescue  
Love come rescue  
Love come rescue  
Love come rescue
