Berner

More dough, more bitches get ran thru, bitches get ran thru
Sold out shows, more bitches get ran thru, bitches get ran thru
New clothes, more bitches get ran thru, bitches get ran thru
More dough, more bitches get ran thru, bitches get ran thru

I got a girl in the 559, bet she fuck like a stripper, workinâ€™ 9 to 5
I canâ€™t fuck with ya, baby, â€™less you ride or die
Iâ€™m puttinâ€™ weed in the air on a private flight
No lies tonight
Iâ€™m with a baby that I met in Chicago
Last night I was in Colorado, I canâ€™t wait till Iâ€™m back in the H
Got a girl in the A, man, ? play
Fly â€™em out for a night and let â€™em have fun
Big boy, but the ladies say Iâ€™m handsome
Touchdown, tour bus full of bust downs
New cities, more bitches gettinâ€™ fucked
Now trip

More dough, more bitches get ran thru, bitches get ran thru
Sold out shows, more bitches get ran thru, bitches get ran thru
New clothes, more bitches get ran thru, bitches get ran thru
More dough, more bitches get ran thru, bitches get ran thru

Sabrina, Darina, Patricia, damn, April luv left her 6 dollas in her hand
Jessica waitinâ€™ on me every time I land my ex
She send me text â€™why ya stressinâ€™ on yo man?â€™
More dough, more bitches gettinâ€™ ran thru
Sheena said â€™Berner, canâ€™t stand youâ€™
Six bitches in my room, Iâ€™m gone
Tryna fuck every single one, come on (am I wrong?)
Center rowâ€™s the girls, let em work the club
My girls, and the city just love to roll my bud
If I meet you on the row baby Iâ€™mma work ya hard
This oneâ€™s for the cuz, they be playinâ€™ to fuck
True

More dough, more bitches get ran thru, bitches get ran thru
Sold out shows, more bitches get ran thru, bitches get ran thru
New clothes, more bitches get ran thru, bitches get ran thru

More dough, more bitches get ran thru, bitches get ran thru

If you come to my show just know Iâ€™m lookinâ€™ foâ€™ that groopie luv

Money good, weed and hoes, itâ€™s nunâ€™ new to us

Err single city I go Iâ€™m lookinâ€™ foâ€™ that groopie luv

Bitches on my dick foâ€™ sure, itâ€™s nunâ€™ new to us

More dough, more bitches get ran thru, bitches get ran thru
