Virtual State

Evil's Toy

Diving into intense obsessions
Secret pains ? desires
Asymmetrical movements
Pictures shining bright
Corroding in virtual madness
Similar impressions
Designed by hallucinations
Reality fades ? diminishes to nothing
Turning back the evolution

Cracking the genetic code
Creating detained phonetics
Vertical sounds of silence
Evolving in the inner state of mind
Neural implants
Transmitting an intensive strange experience
Within a violent liquid matrix
An abstract state ? virtual state
An abstract state ? opens the gate
