

# Stand Still, Look Pretty

Michelle Branch

I want to paint my face  
and pretend that I am someone else  
Sometimes I get so fed up  
I don't even wanna look at myself

But people have problems that are worse than mine  
I don't want you to think I'm complaining all the time  
And I hate the way you look at me I have to say  
I wish I could start over

[Chorus]

I am slowly falling apart  
I wish you'd take a walk in my shoes for a start  
And you might think its easy being me  
You just stand still, look pretty

Sometimes I find myself shaking  
in the middle of the night  
And then it hits me and I can't  
even believe this is my life

But people have problems that are worse than mine  
I don't want you to think I'm complaining all the time  
And I wish that everyone would go an shut their mouth  
I'm not strong enough to deal with it

[Chorus: x2]
