# Make Me Over

## Kevin Lemons & Higher Calling

Correction
Direction
Make me over
I wanna be made over

Restore me
Implore me
Make me over
I wanna be made over

Chastise me
Revive me
Make me over
I wanna be made over

Choose me
Renew me
Make me over
I wanna be made over

For you already know what's best for me
And your will for my life is all I need
Do whatever it takes Lord use me
Me over

Make me over
Over again
Ooooooooover
I wanna be made over

(Repeat from beginning)

Here is my life
Take it and use me for your glory Lord
Here is my life
Make me over
(repeat)

I am ready for change
I am ready for change now

(repeat)
