

Love Like a Man 2

Alvin Lee

You roly-poly
All over town
But you come on back to me
When things are down Love like a man
Love all you can Your satisfaction
Is growin' less
If you come on back to me
Use my address and let you Love like a man
Love all you can You are the woman
You can't deny
You look so good to me, girl
You make me high I'll tell you something
I think you know
When you flash those eyes at me
All systems go, yeah Love like a man
Love all you can Love like a man
Love all you can Love like a man
Love all you can
