Tears Never Dry

Stephen Simmonds

My only one, what have I done?
Where have all the good times gone
How could I be so wrong?
There's nowhere to hide, nowhere to run
We used to have so much fun
Ain't no sunshine when my baby's goneNothing but your memory
Sorrow and grief
In the air that I breathe
So much pain that I can't hide
I wanna try
But the tears never dryNow that I know why I exist
How can I go on without you?
You left me here without a clue
Can't say with words how much I miss
I wish that there was something I could do
If I could turn back time you know I wouldNothing but your memory
Sorrow and grief
In the air that I breathe
So much pain that I can't hide
I wanna try
But the tears never dryNow I hope my words could somehow
Guide the world today into better ways
'Cause it's been a long time comin', yeah
(Long time, now it's been a long time)
And on the final day there will be no more words to say
No more games to play
(Love is the way)
(Oh, tell me)Don't you know the love is
Nothing but your memory?
Sorrow and grief
In the air that I breathe
So much pain that I can't hide
I wanna try
(No, I wanna try)
But the tears never dryNever ever dry
[Incomprehensible]
