

One Woman Man

Dave Hollister

Its so funny runnin into you
It has to be three years
Since we last seen each other
Many flashbacks come to mind
Of the wild and crazy times
We used to have with one another We absolutely didnt care
We would do it anywhere
Eye contact, and it was over
But thats when I was wildin out
I couldnt care less about
Someone gettin hurt
Ive done my share of dirt
But I done wised up Seein you reminds me of
All the nights I used to beat it up
I would do it again, but I cant
'Cuz everything is different now
I finally have settled down
And became a one woman man Ooh, there were many others after you
Quite a few one night stands
Some of their names, I cant remember
Imagine wakin up to someone new
You barely even knew
Time and time again But theres someone for everyone
Ive been blessed to find that one
Who makes me feel like no other
You are lookin good as hell
But I cant go home with you
Because Im goin home to her Seein you reminds me of
All the nights I used to beat it up
I would do it again, but I cant
'Cuz everything is different now
'Cuz everything is different now
I finally have settled down
And became a one woman man Long gone, are the days
When I ran the streets tryin to get laid
Ooh, and now
See now that I found the love of my life
I dont have to trick no more
Girl, it was nice seein you

But I gotta go home to my baby
Seein you reminds me of
All the nights I used to beat it up
I would do it again, but I cant
'Cuz everything is different now
I finally have settled down
And became a one woman man
