

Beatbox

ZZ Top

Nine volt battery from Japan
It's got the beat
A little tape deck in my hand
It's so so sweet Keeps me rockin' 'round the clock
I don't mind it I got the beatbox, the beatbox
Just a beatin' that box
Beatbox, beatbox
Hey One C-ninety, back to back
Jumpin' on that jack
Don't play with fire or
Unplug my wire, beg or steal
It's not for hire Keeps me rockin' 'round the clock
And I don't mind, because I got the beatbox, a beatbox
Oh just a beatin' that box
A beatbox, beatbox
Beatbox
Yeh, yes Paris, Rome, Toyko, Osaka
Forenza, Milano, Vesuvio Have mercy
