

Dance In Your Shadow

Kula Shaker

If you were alone,
No one would know that you were crying
If you were a dream,
Nothing would seem high or low
Lie under the stars,
Cradle your arms like you were dying
Oh..what would you do if it was true
No one was lying
Time wait by your side,
Dance in your shadow
Time wait by your side,
Dance in your shadow
Love treasure the time,
That you are mine and I am found
Oh..what would you do,
If it was true, if you were flying
