

Superstylin' (Joris Voorn Rework)

Groove Armada

Enta in de dance, plug it in and we begin,
Crowd up in de center, they watch (be dibidim),
Watch de way we drop it in a mixed timin',
Rise and amplifying when we come in wit de swing. Just follow in de back and naturally harmonising,
Climb into position wit synchronised things,
Live from out de ghetto we maximising,
Sound-O-De-Groove-Armada we Superstylin' Sometimes, can you feel the pressure does unwind,
Sometimes (here we go, here we go)
Sometimes, in tru the day and tru the night,
