

# Winter Kills Me (feat. Lady V)

## Markus Schulz

You took me for granted  
You didn't keep the fires burning  
You let them all die out

You took your ashes  
And just like this you stepped right over us  
I watched you change before my eyes

Cause your hand are made of ice  
Your kiss is paralyze  
And it hurts to breathe your name  
Winter kills me

As the cold reaches my heart  
I stumble in the dark  
And it hurts to breathe your name  
Winter kills me

Winter kills me  
Winter kills me

Cause your hand are made of ice  
Your kiss is paralyze  
And it hurts to breathe your name
