We Don't Sleep

Har Mar Superstar

Well we're the people waiting well after midnight,
Underground where they don't make a sound.
They won't fight like they used to
Because the booze made them lovers now.
But there's fucking, there's fighting, it gets so excitin
Like lightning trapped in a jar.
Until the grave we can't behave
'Cause that's just who we are.
When you see me comin your way,
There's no escape, oh no.
Because we don't sleep no we don't sleep
Never retreat because we don't sleep.
We don't sleep no we don't sleep.
We can't be beat because we never we never sleep.
We're back from settling up our business.
We earned the right to take on the night.
Yeah we're going into the ether.
Either you're in or you're stylin so tight.
Who knows where we're hiding
'Cause seeking's finding and we all need to be found.
The light ends the cycle but by the next night
We'll make it go round and around.
When you see me comin your way,
There's no escape, oh no.
Because we don't sleep no we don't sleep
Never retreat because we don't sleep.
We don't sleep no we don't sleep.
We can't be beat because we never ever sleep.
