Our Day Will Come

Isaac Hayes

Our day will come
And we'll have everything
We'll share the joy
Falling in love can bring, yeahNo one can tell me
That I'm too young to know
That I love you so
And you love meOh, our day will come
If we just wait a while
No more tears for us
Just think love and wear a smileOur dreams have magic because
We'll always stay in love this way
'Cause our day is gonna come, oh, yeahOh, our dreams have magic
Because we'll always stay in love this way
'Cause our day, day, our day
Our day is gonna comeSo how long, baby
It's gonna come
Wait a minute, baby
It's gonna come
