

Our Day Will Come

Isaac Hayes

Our day will come
And we'll have everything
We'll share the joy
Falling in love can bring, yeah No one can tell me
That I'm too young to know
That I love you so
And you love me Oh, our day will come
If we just wait a while
No more tears for us
Just think love and wear a smile Our dreams have magic because
We'll always stay in love this way
'Cause our day is gonna come, oh, yeah Oh, our dreams have magic
Because we'll always stay in love this way
'Cause our day, day, our day
Our day is gonna come So how long, baby
It's gonna come
Wait a minute, baby
It's gonna come
